to be considered will be the adoption of a platform of principles, the first thing that comes up in the hallonal democratic convention. In that plat-form we hope that everything that can The evidence is too plain to admit of denial that Senator Bayard made a secession speech in 1861. He most remote degree to state policy, will be exchemed. Leave that to a subsequent will not deny it we presume, and quent meeting, and let us fight out the probably would not if he could. We do not mention this fact for the purpose of abusing him for it. With a full knowledge of the fact that he was a secessionist, we would prefer to see him president of the United States before any democrat in the union. We believe him to be a sefer. union. We believe him to be a safe influenced by mercenary and embitious motives, will endeavor to separate the elements of the party at once. This is for their own selfish ends, as without such a division they may party, he would make never hope to do otherwise that to rea safe president. Our grounds of opposition to him would be that he could not control his party, but to unite and from these suggestions, attempt. In making these suggestions, that his party would control him. we are actuated solely by a sincere love and attachment to the democratic par-We believe that the public interest ty, and a firm belief to its power to rescue and restore the country to prosperity. No more, no less." should be controlled by the demo-

cratic party for four years. party in Tennessee have heretofore But this is not what we set out proved to be very artful dodgers. to write in this connection. We They have dodged the state debt have been roundly abused by question to their own satisfaction southern democratic journals for and to the satisfaction of such of opposition to the south. Little their supporters as are willing to souled men, with deep prejudices and shut their eyes and go it blind. narrow minds, have falsely charged The indications are that some of that the republican party is the them intend to do the same thing enemy of the south. This charge this year. They will plead the imhas been based largely upon the portance of the national contest, fact that the majority of the most influential members of the party are northern men, and the states are northern men, and the states the state, after the experience of

northern states. While they have thing to be done, they show themmade these charges, the democratic selves incapable of self-government, party has never dared to take a and will deserve to be made the presidential candidate from the slaves of policicians during the resouth, where the bulk of the demo- mainder of their lives. It is not cratic party is found. This has not true manhood to dodge responsibili been because southern democrats ties. Straight out repudiation is are not as able and as patriotic as better than such cowardly dodging. those of the north. It would be a Proving Fusionist Crimes. base slander upon southern demo-

AUGUSTA, ME., Feb. 24.-Mr crats to say so. For our part, in Hales's investigating committee toall candor, we believe the interests of day continued the examination of the whole country would be just as the election returns. Several imsafe in the hands of the democrats portant irregularities were discovof the south as those of the north, ered, and notably in the cases of the if not safer. We believe this is the towns of Buckfield and Brownfield, where the names of the towns and judgment of nine out of every ten counties were omitted in filling up persons in this section. We believe the blank, thus rendering said rethe republicans of the north have as turns fatally defective. Some much confidence in the ex-rebels of authorized persons, however, after the south, who are democrats, as the discovery of such errors, filled the south, who are democrats, as the blanks and returned the they have in the ex-copperheads of the north, of the Voorhees-Pendle-Changes in the returns from the town of Hebron were also shown to Why, then, is it that the demon have been made in the interests of cratic party does not trust as its the fusionists. It is reported that startling disclosures of fraud will standard bearer in a national conbe shown in certain cases from test any man who participated in Washington county, when the evithe rebellion? Is it in the nature dence will not only implicate state of a punishment of the ex-rebels officers but leading fusion politifor having gone astray, as Mr.

Republican State Convention.

Bayard died in 1861? Now, if the

democrats, after they know that

Bayard was a secessionist, still ad-

here to him, they will show, to some

extent, that they are not going to

punish ex-rebels because they

to show their entire sincerity,

let them make up a ticket with

Bayard at the head and some fight-

position to charge republicans with

being enemies of the south, because

they do not make leaders of men

THE NUMBER OF TENNESSEE

The Morristown Gazette, in its

last issue, gave some figures in re-

gard to the state debt question and

the next campaign, in which the re-

publican vote was put down as 75,-

Hayes received 89,566 votes or

of votes cast, and in 1872 Grant re-

ceived 85,655 votes. or 87.55 per

cent. of all. There is no reason for

saying that the number of republi-

cans in the state has become less,

but on the contrary there are reasons

for saying that it has increased. On

a full vote there are at least 90,000

republicans in Tennessee, or 15,000

more than the Gazette acknowls

THE policy of the democratic

party in Tennessee appears to be

favorable to two state conventions

this year, the first to name dele-

gates to the national convention at

Cincinnati, and a later one to nomi-

nate a candidate for governor.

Speaking of what is to be done at

to unite and frown down any such an
